This upcoming week:

Forest school - This week we will be going into the forest, we will be recapping the rules and boundaries to the children and letting them explore independently their way around the forest.

English – This week we will be reading Families, families, families https://www.youtube.com/watch?v=_C_xsNXH0jc&t=2s. We will be discussing our different family make ups. You could talk to your child about who is in your family at home and different family members outside of their home.

RE – This week the children will be hearing about Remembrance Day, why we have Remembrance, what is a symbol of Remembrance and what we do each year to remember those who fought for our Country.

PE - The children will be playing a game of following the leader. See if you can do some movements and get your child to copy you.

Maths - Patterns. The children will be continuing to practise creating and identifying patterns. You can access this game to have a go at home https://www.topmarks.co.uk/ordering-and-sequencing/shape-patterns. You can also use household items to create simple repeating patterns.
