This upcoming week:

English - We will be reading Elmer

<https://www.youtube.com/watch?v=nONk-Cm1Q7M>. We will be talking about how Elmer is different to the other elephants just like we are all different from one another. The children will be able to create their own collage elephant just like Elmer.

Phonics - Body percussion. What noises can we make with our bodies? Can we use different body parts to create different noises?

PE - Simple group games. The children will be playing games such as hokey cokey, joining in with head, shoulders, knees and toes. These are to encourage the children to do large movements for gross motor movements.

Maths - This week the children will be sorting out different objects. Looking at how things can be sorted: by colour, objects or size? You could give your child some things at home for them to sort in different ways.

RE - The children are going to be hearing about the Creation story

<https://www.youtube.com/watch?v=tfqj5I6Nd44>. You could talk to your child about how the world was created, what things can they notice around them that was created by God? The children will be sequencing the story.

Outdoor learning - We will be exploring Harvest fruit and vegetables in the garden in the soil. Talking about the different types of fruit and vegetables we see this time of year, what they look and smell like.

Notices:

Mondays - Song and rhyme books. **Forest School (after October half term)**

Thursdays - Library book. PE

Fridays - Going home boxes

Please provide **named** spare clothes for your child in case of accidents/messy play
