

HATFIELD FOODBANK COMMUNITY AWARENESS WALK

Hatfield Foodbank, supported by Trussell, is organising a one-day community walk to raise awareness and build support for the essential services provided by the [Hatfield Foodbank](#).

The event will feature a five-hour walk with volunteers as well as friends, family, supporters, and sponsors of the foodbank. It will be a great time to connect, inspire communal action, and foster valuable plus viable help for our mission.

Our objective for the walk is to raise awareness of the significant effort by the Hatfield Foodbank in supporting the community. It will also be an opportunity to strengthen local connections by involving residents, schools, businesses, churches, and other organisations.
