RE	Branch 2: Prophecy and Promise						
Overview of the branch	In this branch, pupils explore the stories of prominent women in the Old Testament, recognising the historical and cultural context of a patriarchal society. They learn how women such as Miriam, Ruth, Judith, Esther, Sarah and Hannah subverted expectations of their time, showing courage, faith and hope. Pupils make links between these women and Mary, whose 'yes' to God radically changed history and whose prayer of the Magnificat proclaims a vision of justice and transformation.
